

Volunteer

To help ensure the continued success of our club, each family is asked to contribute volunteer hours according to their diver's training schedule:

- **Training 5–6 days per week:** A \$500 volunteer bond per diver is required, equal to **25 hours of volunteer time**, to be completed by **June 30, 2026**
- **Training 4 days or fewer per week:** A \$250 volunteer bond per diver is required, equal to **12.5 hours of volunteer time**, to be completed by **June 30, 2026**.

Volunteer bonds are invoiced at registration but not collected until the end of the season. Once a family's required hours are completed, the invoice is credited. If the hours are not completed by June 30, 2026, the invoice is due for payment.

Families can complete their hours through a variety of activities, including but not limited to:

- **Equipment setup and takedown** (approx. 30 minutes per session)
- **Equipment cleaning** four times per year (1–2 hours each session)
- **Competition support** in areas such as hospitality, announcing, score entry, IT support, office duties, setup/takedown, awards, and raffle coordination (commitments range from 3 to 30 hours, depending on role and duration)
- **Board of Directors service** (~2–3 hours per month)
- **Sponsorship and fundraising initiatives**

If you have any questions about volunteering email the RDC admin at info@reginadiving.ca.
